Mr. David Baum  
NY DDC LLC

Chappaqua, New York 10514

Dear Mr. Baum:

After thoroughly reviewing all application materials, the Department has concluded that New York DDC LLC (NY DDC) has satisfied the Motor Vehicle Accident Prevention Course (MVAPC) sponsoring agency and course approval requirements as defined in Part 138 of the Commissioner's Regulations. Therefore, NY DDC, LLC is approved as a sponsoring agency of the MVAPC (classroom version) in New York State, effective September 10, 2012.

We will notify the New York State Department of Financial Services (formerly the Insurance Department) of this action. NY DDC LLC's company name will be added to the list of DMV-approved accident prevention courses eligible for point and insurance reduction benefits.

As a reminder, when applying to New York State, you signed an attestation agreeing to this:

*I have read and understand the instructions on page one, and attest that I will comply with Part 138 of the Commissioner's Regulations, Article 12-B of the Vehicle and Traffic Law, and Section 2336 of the Insurance. To knowingly make a false statement in this application is a misdemeanor punishable under Section 210.45 of the Penal Law. Under Section 138.9(a)(3) of the Commissioner's Regulations, the Department of Motor Vehicles may suspend or revoke approval of a sponsoring agency, if a sponsoring agency has made a material false statement or concealed a material fact in connection with an application, or has knowingly presented false or misleading information to the Department, or to the general public.*

Congratulations on your approval as a sponsoring agency in New York State. We look forward to working with you and your staff in this very important traffic safety program.

Sincerely,

*Barbara E. Carroll*
